EDUCATION

Location: 4

Date : 21.01.2021

Venue: Vandalur To Urapakkam

Time: 9:00am to 4:00pm

Under the guidance of Mr.D.Prabhakaran (program officer) the NSS team organized a corona awareness rally in vandalur.

There the volunteer performed various activities as listed below:

- The camp started with the identification of problems in the adopted School and conducted an overall survey.
- The major problem faced by them are improper garbage disposal, lack of plastic disposal awareness, and unrepaired Grounds.
- Done the work of cleaning and repairing of School Ground.
- We planned a detailed schedule to remove the vast garbage which was irregularly dumped.
- The unrecyclable waste are burned and used in other ways as source.
- Prosopis juliflora tree which is know to absorb underground water and moisture from the air, are removed and used for various aspects.
- Water scarcity has been the main problem in last decades, so we took steps to clean the open water bodies in the School Surroundings.
- And mainly the over flow of garbage waste over the water are cleaned and disposed properly.
- Wide varieties of plant and tree saplings are distributed and planted in the School.
- The saplings of neem and other herbal are freely distributed among the School Students and few are planted in the School environment.
- Students grounded the saplings and started the work to maintain its growth.
- We had organized a meeting to create awareness and make the students to understand the need and importance of govt. schemes and job opportunities
- Students and few teachers are also supported us by spending their valuable time.
- Various awareness like hazardous impact of dengue and its breeding.

- Plastic are been a challenge to us in disposal and recycling.
- Due to poor facilities of disposal they dumped them on the roads and few buried them in grounds.
- We took a step to segregate these type of waste and spread awareness not to burn them in open space.
- All the plastics are collected at a spot and moved on to the process of recycling and asked not to use plastics under 50 microns.

Conclusion:

- The camp could manage to overcome the problems at the Village.
- The major problems of water and pollution are controlled to a extent and made an practice to them
- School children's are given a practice of sports along with their academics. Control of school drop outs are seen.
- The School students and teachers are satisfied with the service provided to them.
- Main aim was to spread social awareness among general masses
- The camp concluded with the overall ensurance of the program done in the adopted region.

Date : 28-02-2021

Venue: PERI Knowledge Park, Virtual modes

Time: 10:00am to 3:00pm

Under the guidance of Mr. G.Loganathan (program officer) the YRC crew conducted the
FIRST AID ORIENTATION PROGRAM

- The First Aid Orientation Program for the Youth Red Cross was held on 28-02-2021 at the conference hall in the college campus. The chief guest Mr.R.Manickam, IRCS Secretary and Mr.R.Mohanavenkatesan, IRCS Vice President was formally welcomed by the program officer. The dignitaries present on the occasion were **Dr.Palson Kennedy**, Principal of PERIIT and **Mr.Magesh**, the Vice Principal of PERIIT.
- The orientation began with the Tamizh thaai vaazhthu and the program was enlightened with the kuthuvilakku.
- The event was followed with a informational speech by our Principal about the Youth Red Cross and continued by our Vice Principal.
- As a token of gratitude the chief guest Mr.R.Manickam and Mr.R.Mohanavenkatesan were respected with the memento and the shawl.

- Then Mr.R.Manickam delivered his presidential remarks and highly appreciated the efforts taken by our YRC members in the society and also expressed his best wishes to the association and co-ordinators for the event.
- Mr.R.Manickam genuinely presented an example about our Former President **Dr. A.P.J.Abdul Kalam's** YRC membership in his life.
- He blessed our students with his words "Vaazhga Valamudan" and make our students to repeat the same. Our conference hall filled with his blessings.
- As per our request, he briefly explained about the basic First-Aid treatment to make a safe and healthy society.
- Then Mr.R.Mohanavenkatesan started to explain the second part of first aid. He explained us how to treat the person affected by major accident and he said the procedures to be followed to arrest the bleeding.
- He called a volunteer as a practical example and cleared our doubts about the First-Aid and he let us to realize that "**SERVICE TO MANKIND IS SERVICE TO GOD**".
- This all tend us to gain a good personality and achieve all-round development by being a member in this organization.
- The program came to end with the YRC member pledge followed with a vote of thanks.
- Finally as a patriotic Indian, we all stood united for the national anthem, the program winds up with a great success.
