

April 7,8 2018

International Conference on Informatics, Robotics, construction & Communication. ICIRCC'18

Two days International Conference on Informatics, Robotics, Construction & Communication. ICIRCC'18 was conducted on 7th & 8th April 18.

Shri **Saravanan Periyasamy**, Chairman, PERIIT personally welcomed the Chief guest **Dr. Lochandaka Ranathunga** & conveyed his best wishes for successful conduction of the conference.

Dr. R. Palson Kennedy, Principal gave the welcome address & briefed about the ICIRCC'18. In his Speech he welcomed all the dignitaries on the dais. Viz, Chief guest, Chairman, MD, COO, faculties, HOD's, Participants, members of the press, students & invitees of the function He pointed out that Conference has brought many researchers & students together to share their views on new technologies in this flat form.

Honorable Chief Guest of the Day **Dr. Lochandaka Ranathunga**, Prof & Head, Department of Information Technology, University of Moratuwa, Katubedda, Moratuwa, Sri Lanka. Delivered inaugural address on 7th April 9, 2018 conference.

During his inaugural address, he has emphasized students about the new projects & latest technologies which may be implemented in the near future in this college. In addition to that, he has presented ppt on Telepathy computing, which will convert the human ideas in the brain & transfers it to the computer.

Principal extended a hearty welcome to the Session chairs / jury members of the Conference.

Dr. B. Sridevi Prof & Head of the Department, CSE Sri Sairam Inst of Tech College has acted as session chair of CSE department. **Dr. Mariappan**. Prof & Head of the Department of Civil engineering, Adiparasakthi Engg College have acted as session chair of Civil Engg department.

Dr. Komala James

Prof & Head of the Department of ECE, Valliammai Engg College has acted as session chair of the ECE department

Dr. C Subramani Prof & Head of the Department of EEE SRM IST has acted as session chair of EEE department.

Dr. M. Rajkumar Prof & Head of the Department Mechanical engineering, Builders Engineering College Tirupur, has acted as session chair of the Mechanical Engg department.

Informatics understands the impact of technology and information on people. The development of new uses for technology.

Robotics and Automation deals with manufacture and applications of robots and computer systems for their control, sensory feedback, and information technology to reduce the need for human work.

Construction Industries as adopting new technologies for their sky scraping projects.

Communication-As standards are put in place, industrial and academic partners are gearing up to deliver a new generation of radio systems and network architectures.

ICIRCC'18 Conference proceedings was released by the Chief Guest **Dr. Lochandaka Ranathunga, Dr. R. Palson Kennedy, Dr. Jasmine Jeni, Prof Revathy, Prof Phillip & Prof Magesh.**

We received around 350 papers from various colleges. After various levels of scrutinization, 100 papers were selected to be presented in ICIRCC.

Hundreds of attendees, paper presenters, keynote participants, students, have benefited in many ways from this conference. More than 200 scientific papers were presented by authors from various colleges like SRM Institute of Science & Technology, Hindustan Institute of Science & Technology, St. Joseph Institute of Technology, Agni College of Technology, Dhanalakshmi College of Engineering and Anand Institute of Higher Technology from Tamil Nadu, few papers from, Karnataka, Andhra Pradesh, Kerala and 10 papers from countries like Singapore, Sri Lanka, Malaysia, Dubai and Ethiopia. All the Participants from different colleges within the state, from other state and from other countries addressed the audience and shared knowledge and rich experience of application in various fields.

Few best papers from each department will be selected and published in UGC approved journal. The conference concluded with set of presentations of many real world cases describing new and noteworthy initiatives relevant to the conference theme.

The Whole purpose of the Conference is to turn mirrors into Windows & Windows in to The Doors. Participant's strong support & their Active presentation made the ICIRCC 2018 a record breaking event.

Dr.P.N.Kadiresh, Prof& Head of the AERO SPACE Engg, Crescent University gave the Valedictory address. In his address he asked students to explore the new Technology & don't get struck with one or two techniques. He has distributed the Best paper cash awards & Certificates to the participants.
