Venue : BF 1- Hall

Organizer : Mechanical Department

Coordinator : Mr Prabhakaran

Details of Participants : Final year students

Profile of the Chief Guest

Name of the Guest Speaker : Mr P Rajan Babu

Organization : Arghaa HR Technolgies

Designation : CEO & Director-HR

Event Agenda

- Welcome address by Placement Officer – Dr Rajaganapathy
- Address by Guest
- Vote of thanks by student.

The guest was welcomed by the Placement Officer, **Dr Rajaganapathy**.

Mr Rajan Babu explained at length about the various roles in Mechanical industries.

He also dwelt at length about how he rose from a trainee engineer to his present position as CEO. He explained about the hurdles that he had to surmount to come to this present level.

The importance of English communication skill was presented. He asked the students to read English newspapers in front of a mirror in a loud manner. He also stressed upon the need for discipline, grooming and punctuality.

The skills required for various job profiles were to be found out. He suggested that students search different job profiles on sites such as naukri.com to find out the skills needed for each type of job. Such skills were necessary to develop employability.

A vote of thanks was proposed by **Mr Rajiv**, final year student.
