Dear Sir / Madam,

I am glad to inform you that Technology Enabling Centre at CTD, Anna University is organizing the National level "Technology Exhibition 2020 cum Training Programme" to be held during 27th - 29th February 2020 at Anna University Main Campus, Guindy, Chennai. Students and Faculty members from all over Tamilnadu will showcase their designed products / process with relevant hardware / software in the areas such as Agriculture and Food Technologies Environment and Water resources, Energy, Material Science and Life Sciences, Education Technologies and Entertainment, Defence, Healthcare and Space Technologies, Smart city, Architecture and Planning.

The exhibition will feature more than 200 products developed by the students, also the facilities / products developed by the various Departments / Centres of Anna University. Information on IPR, Incubation, startups, Investors and Entrepreneur programs. In the forenoon of all three days, experts will be delivering the lectures on "Entrepreneurship, Startups, Incubation and Intellectual Property Rights".

The main objective in conducting such an exhibition is to transform the knowledge based society into Entrepreneurs through their new innovations to the society. We would like to invite your students to visit the exhibition during 27th - 28th February 2020 (Afternoon session only) so as to motivate them for translative research works and technology transfer.

As large numbers of participants are expected to visit the venue, you are requested to provide the number of students visiting the exhibition and their mode of transport on or before 25th February 2020 at tecannauniversity@gmail.com, 044-22357929. The registration is free for the exhibition visit. The students and staff should bring a valid ID card for the entry.

Looking forward to hear from you.
