The graduands and the audience were then enthralled by the rousing speech of the Chief Guest. In his graduation day address, he congratulated all the graduands for their efforts they have put-in to come to the stage. He pointed out about the inventor of first electric motor. G D Naidu that Life Skills and Innovative Technologies are the two important aspects that will take them to the peak of successful professionalism, irrespective of the domain they choose.

He wished the graduands by quoting “REACH FOR THE STARS, SPREAD YOUR WINGS AND FLY. YOU NEVER KNOW WHAT YOU CAN DO UNTIL YOU TRY”.

He also added according to Albert Einstein “Being Genius is one percent Talent and ninety-nine percent hard work”. So do not be upset if you are not a born genius or a prodigy, there can be no replacement for hard work.

The University Rank Holders and toppers received cash awards, scintillating medals and certificate from the Chief Guest.

- Finally he ended his speech by saying
- Believe in yourself.
- Believe in our country, Believe in your future.
- Pursue your passion and there is no way you can go wrong. Be updated.
- Yearn to learn.
- Develop people skills.
- Be honest and compassionate.
- You can reach the pinnacle and achieve much more and above all.

Be happy is the mantra, which I would like to conclude with, because without the happiness in yourself, you can never accomplish and so, be happy and pledge to keep yourself happy.

The University Rank Holders and toppers received cash award, scintillating medals and certificate from the Chief Guest.

It is followed by the distribution of degree certificates by the guest of honor to the graduands. The Head of the Department read out the names of the graduands of their respective departments.
