PERI
EDUCATION

Location: 1

Date : 04.12.2021

Venue: Govt. HSS - Padappai, Vandalur

Time: 9:00am to 4:00pm

Under the guidance of Mr.D.Prabhakaran (program officer) the NSS team visited a Government Higher Sec School in padappai near vandalur.

There the volunteer performed various activities as listed below:

- The camp started with the identification of problems in the adopted School and conducted an overall survey.
- The major problem faced by them are improper garbage disposal, lack of plastic disposal awareness, and unrepaired Grounds.
- Done the work of cleaning and repairing of School Ground.
- We planned a detailed schedule to remove the vast garbage which was irregularly dumped.
- The unrecyclable waste are burned and used in other ways as source.
- Prosopis juliflora tree which is know to absorb underground water and moisture from the air, are removed and used for various aspects.
- Water scarcity has been the main problem in last decades, so we took steps to clean the open water bodies in the School Surroundings.
- And mainly the over flow of garbage waste over the water are cleaned and disposed properly.
- Wide varieties of plant and tree saplings are distributed and planted in the School.
- The saplings of neem and other herbal are freely distributed among the School Students and few are planted in the School environment.
- Students grounded the saplings and started the work to maintain its growth.
- We had organized a meeting to create awareness and make the students to understand the need and importance of govt. schemes and job opportunities
- Students and few teachers are also supported us by spending their valuable time.
- Various awareness like hazardous impact of dengue and its breeding.

- Plastic are been a challenge to us in disposal and recycling.
- Due to poor facilities of disposal they dumped them on the roads and few buried them in grounds.
- We took a step to segregate these type of waste and spread awareness not to burn them in open space.
- All the plastics are collected at a spot and moved on to the process of recycling and asked not to use plastics under 50 microns.

Conclusion:

- The camp could manage to over come the problems at the School.
- The major problems of water and pollution are controlled to a extent and made an practice to them
- School childrens are given a practice of sports along with their academics. Control of school drop outs are seen.
- The School students and teachers are satisfied with the service provided to them.
- Main aim was to spread social awareness among general masses
- The camp concluded with the overall ensurance of the program done in the adopted region.

- Students grounded the saplings and started the work to maintain its growth.
- We had organized a meeting to create awareness and make the students to understand the need and importance of govt. schemes and job opportunities
- Students and few teachers are also supported us by spending their valuable time.
- Various awareness like hazardous impact of dengue and its breeding.

- Plastic are been a challenge to us in disposal and recycling.
- Due to poor facilities of disposal they dumped them on the roads and few buried them in grounds.
- We took a step to segregate these type of waste and spread awareness not to burn them in open space.
- All the plastics are collected at a spot and moved on to the process of recycling and asked not to use plastics under 50 microns.

Conclusion:

- The camp could manage to overcome the problems at the Village.
- The major problems of water and pollution are controlled to a extent and made an practice to them
- School children's are given a practice of sports along with their academics. Control of school drop outs are seen.
- The School students and teachers are satisfied with the service provided to them.
- Main aim was to spread social awareness among general masses
- The camp concluded with the overall ensurance of the program done in the adopted region.

Venue: Vandalur

Time: 9:00am to 4:00pm

Under the guidance of Mr.D.Prabhakaran (program officer) the NSS team organized a rally in vandalur.

There the volunteer performed various activities as listed below:

- The camp started with the identification of problems in the adopted School and conducted an overall survey.
- The major problem faced by them are improper garbage disposal, lack of plastic disposal awareness, and unrepaired Grounds.
- Done the work of cleaning and repairing of School Ground.
- We planned a detailed schedule to remove the vast garbage which was irregularly dumped.
- The unrecyclable waste are burned and used in other ways as source.
- Prosopis juliflora tree which is know to absorb underground water and moisture from the air, are removed and used for various aspects.
- Water scarcity has been the main problem in last decades, so we took steps to clean the open water bodies in the School Surroundings.
- And mainly the over flow of garbage waste over the water are cleaned and disposed properly.
- Wide varieties of plant and tree saplings are distributed and planted in the School.
- The saplings of neem and other herbal are freely distributed among the School Students and few are planted in the School environment.
- Students grounded the saplings and started the work to maintain its growth.
- We had organized a meeting to create awareness and make the students to understand the need and importance of govt. schemes and job opportunities
- Students and few teachers are also supported us by spending their valuable time.
- Various awareness like hazardous impact of dengue and its breeding.

REPORT ON ORIENTATION PROGRAM ON “FIRST AID TREATMENT” – YRC

An orientation program was organized by Youth Red Cross society of PERI institute of Technology, held on 15-12-2021 at the conference hall, college campus with 160 participants.

The chief guest Mrs.S.M.Geetha was formally welcomed by the program officer Mr.Loganathan.

The dignitaries present on the occasion were Dr.Palson Kennedy, Principal , PERIIT and Mr.Magesh, the Vice Principal, PERIIT.

The programme began with the Tamizhthaaivaazhthu followed by lighting of kuthuvilakku. Then an informational speech was delivered by our Principal about the Youth Red Cross and continued by our Vice Principal. As a token of gratitude the chief guest Mrs.S.M.Geetha was honoured with the memento and the shawl.

Then she delivered her presidential remarks and highly appreciated the efforts taken by our YRC members in the society and also expressed her best wishes to the association and coordinators for the event. She genuinely presented an example about our Former President Dr. A.P.J.AbdulKalam's YRC membership in his life.

As per our request, she briefly explained about the basic First-Aid treatment to make a safe and healthy society. She called a volunteer as a practical example and cleared our doubts about the First-Aid and she let us to realize that "SERVICE TO MANKIND IS SERVICE TO GOD".

This all tend us to gain a good personality and achieve all-round development by being a member in this organization. The program came to an end with the YRC member pledge followed with a vote of thanks. Finally as a patriotic Indian, we all stood united for the national anthem, the program winds up with a great success

REPORT ON
COVID FREE VACCINATION DRIVE 2021-2022

Date: 27-01-2022

Venue: Conference Hall, Beta Block, PERIIT.

PERIIT Youth Red Cross (YRC) Club organized COVID Free vaccination Camp on 27.01.2022 at 10.30 A.M to 4.00 P.M.

The health minister of Tamilnadu Dr. Ma.Subramaniyan had announced about special inoculation drive for the students age group of 18 to 25, that the Covid-19 vaccination among the youth is the need of the hour as colleges and universities.

The PERI Institute of Technology YRC students has taken online survey prior to the vaccination drive to collect data, so that the vaccination drive will be organized in appropriate way. About 50 percent students have participated in this online survey conducted through Google Form. And our crew members interact with the students and cleared their doubts, Students thanked us that the event made them to gain a good personality and they came to know about their rights in the society. The program came to end with the YRC member pledge followed with a vote of thanks.

Finally our Principal Dr.Palson Kennedy honoured for the doctors, nurses, faculty and students efforts, the event ended with students enthusiasm.

REPORT ON
SCHOOL AWARENESS PROGRAMME -NO PLASTIC

Date: 20-02-2022

School: Government Girls Higher Secondary School, Tambaram

Time: 12.30 P.M to 4.00 P.M

PERIT Youth Red Cross (YRC) Club organized School Awareness Programme on "NO PLASTIC" on 20.02.2022 at 12.30 A.M to 4.00 P.M. The volume of plastic produced in the world has increased significantly and an increasing amount of plastic litter ends up in terrestrial and aquatic eco system. Plastic litter is hazardous to the terrestrial and marine environment because plastics are durable, buoyant, waterproof, indigestible and non-biodegradable. Plastic debris injures and kills fish, seabirds and marine mammals. Pollution due to single use plastic items has become an important environmental challenge confronting all countries. In particular, the plastic carry bags are the biggest contributors of littered waste and every year, millions of plastic bags end up in to the environment via soil, water bodies, water courses, etc. and it takes an average of one thousand years to decompose completely. In this regards an awareness program on "NO PLASTIC" was organized by Youth Red Cross (YRC) Club students of PERIT actively participated in the event. The program was arranged at the Government Boys Higher Secondary School, Padappai, Tambaram, Chennai, Tamilnadu. The aim of the program was too aware the community and to make earth clean, green and pollution free planet. Types of plastic pollution created by human beings have been discussed. The possible changes each one of us can incorporate into our daily lives that will make a remarkable impact on our environment have been discussed in the program.

Finally our YRC President Mr.Barathwaj, President, Final Year ECE honoured students efforts and the event ended with students enthusiasm and happiness.

REPORT ON ROAD SAFETY – YRC:

On behalf of YRC day on 21st AUG, 2022, YRC unit of PERI institute of technology conducted a briefing session for the new YRC Volunteers and thereafter an awareness program on Road safety was conducted by the department of Electrical and Electronics engineering with 150 student volunteers.

The volunteers were given orientation for one session. The student coordinators introduced the new set of volunteers to the objectives of YRC and they also shared their experience. The students also explained about the list of activities that were carried out. The YRC program officer explained them about the credit allotted for this extension activity and the criteria for getting that credits. The Principal Dr. Palson Kennedy gave his thorough knowledge on YRC to the students. The YRC volunteers were asked to plan out certain activities for this academic year.

To create awareness among students of the YRC unit about the importance and usefulness of electricity as well as why it is necessary to be careful when using electrical appliances the Head of the department EEE discussed various details of electricity and taught the students what the protocol is, in the any electrical hazards. He also gave his insights and opinions on questions asked by some of the students present.

RALLY TO SHOWCASE 75TH INDEPENDENCE DAY

REPORT

The Youth Red Cross (YRC) Club of PERI Institute of Technology organized on Rallies to carrying flags and banners, colourful performances and flag hoisting ceremonies marked the 75th Independence Day. Our Principal welcomed the chief guest, and addressed the students regarding importance of the events, nearly 750 students participated in the rallies. The rally started at 8.00 am in the college premises. Our Principal Dr.Palson Kennedy honoured the chief guest Dr.A.Pradeep I.P.S, Assistant Commissioner of Police, Chengalpattu District and initiated the rally by waiving the flag. The rally marched towards Vandalur bus stop from PERI Institute of Technology

Independence Day this year was celebrated in a grand manner with students being able to participated and enjoyed very well after two years (After Pandemic). We proudly celebrated the 75th year of India's independence with high patriotic spirits. There was a grand celebration of India's freedom in our college as well as in my society. Finally, our Principal Dr.Palson Kennedy honoured for the student and faculty efforts.
