**ENTREPRENEURSHIP DEVELOPMENT CELL**

Mr. Ramaiah Chidambarm, Head Industry 4.0 Crescent Innovation Incubation council, addressed the elaborately on the various advancements in technology of the various sectors and gave a very detailed presentation on the technological research works going on the in the field of agriculture and biology. He spoke on the various resources available for budding entrepreneurs both from the governments end and also from private funding agencies. He spoke about Crescent Incubation Centre and how it has been a very strong pillar in the technological start up ecosystem of India and Tamil Nadu. He also invited the students to their Incubation centre and also welcomed the students to join with them in their various projects and endeavours. Around 120 students from various departments were participated in the program and a few faculties also joined the session. The session was concluded with a vote of thanks by Ms. Thivya of II EEE.
