REPORT ON EVENT

Department	Electronics and Communication Engineering
Type of Event	Workshop
Title of the Event	“TINKERCAD”
Date and Time	26-04-2022 & 10.00 AM to 1.00 PM
Mode of Event	Offline
Details of Participants	For all ECE students
Details of the Resource Person	Name of the Guest Speaker: : Mr S Prabhakaran Organization : IVW Pvt.Ltd,Chennai. Designation : Lead Design Engineer
Report on Event	Mr S Prabhakaran had started the session with brief introduction to tinkercad. He had discussed about various applications and basic constitutes of robots. With the knowledge of Arduino programming, participants had enjoyed hands-on on building a remote controlled car along with obstacle detection. He had started with types of sensors and their interfacing with the robot. The participants also learned about home automation. Tinkercad is an online collection of software tools from Autodesk that enable complete beginners to create 3D models. This CAD software is based on constructive solid geometry (CSG). The participants learned to create complex models by combining simpler objects together.
Feedback of the Resource Person	Mr S Prabhakaran appreciated the efforts taken by the Institution in organizing this workshop which will surely enlighten the budding young students. My sincere gratitude for the wonderful hospitality. Wish the institution to be a global destination for all who aspire to be an Engineer.
Outcome of the Event	Enhanced the knowledge in the field of “TINKERCAD”.
