INTERNATIONAL CONFERENCE ON COMPUTER, COMMUNICATION AND
INFORMATICS – ICCCI'22

Report

An **International Conference on Computer, Communication and Informatics – ICCCI'22** was organized by the Department of Computer Science and Engineering on 24th and 25th May 2022 by 10.00am. It was organized by HOD, faculty members and Students of Computer Science and Engineering department. Dr. Latha Tamilselvan, Professor / IT, Director, B.S. Abdur Rahman Crescent Institute of Science and Technology, Vandalur, Chennai, was the guest speaker on the day 24.05.2022 through offline. Dr. Lochandaka Ranathunga, Head, Department of Information Technology, University of Moratuwa, Katubedda, Moratuwa, Sri Lanka, was the valedictory guest speaker on 25.05.2022 through online.

The International Conference was conducted in Conference Hall at PERI Institute of Technology with the External participants from various Colleges and along with Internal participants.

The International Conference began with a formal welcome note by Ms. Swetha B and Ms. Lavanya 2nd year CSE students, presided by our Principal, Dr. R. Palson Kennedy, our Vice Principal Mr. B. Magesh and Mrs. K. Varalakshmi Krishnan HOD / CSE. The speaker on 24th May 2022 Dr. Latha Tamilselvan and on 25th May 2022, Dr. Lochandaka Ranathunga accepted the invite for ICCCI'22.

DAY 1: Speaker of the day - Dr. Latha Tamilselvan

Dr. Latha Tamilselvan states that the International Conference on Computer Communication and Informatics (ICCCI'22) aims to provide an outstanding opportunity for both academic and industrial communities alike to address new trends and challenges and emerging technologies on topics relevant to today's fast moving areas. She said that information processing is a very broad area in which many problems are computationally intensive and thus, they require parallelization and acceleration based on new technologies.

She also said about the importance of large/complex/critical computer hardware and software systems in our daily life and what are the current approaches for correctness of hardware/software systems not sufficient. She discussed about the differences of formal specification and verification and also its important for correctness. Formal specification and verification of security aspects only, hopefully easier than formal specification and verification of general hardware/software systems.

DAY 2: Speaker of the day -Dr. Lochandaka Ranathunga

Dr. Lochandaka Ranathunga, in his Presidential address emphasized on intellectual content of the Computer, Communication and Informatics for enriching research ideas. He also suggested that researchers must evaluate themselves, explore their weaknesses and build themselves to discuss about their research areas in future. He also suggested that we need to improve the education by upgrading the faculty and exciting the young minds. The new areas such as Data Science, Artificial Intelligence, Information Security, Cloud Computing etc., must be explored. He had shared few ideas related to Data Science and its functionality that how it enriched with different technologies through presentations.
