The resource person given an introduction about their Edureka Learning Centre which is located Chennai. She said that, Edureka is an e-learning platform providing live, online training in trending technologies. It provides comprehensive courses in Big Data & Analytics, Cloud Computing, Programming, Application Development, and other trending technologies. The company was founded in 2011 and is based in Bangalore, Their mission is to provide you with an excellent learning experience and help you attract the jobs of your dreams.

She said that Learning centers are student centered, engaging activities which also self-checking and self- are selecting. The activities are used to focus on a set of skills and deepen the students' knowledge and abilities in that area. Students can work alone, in pairs, or in small groups.

She also said that by enrolling in Edureka Elevate, a learner is guaranteed a starting salary that is 2X to 3X of the average first salary, ensuring that learners are primed for a successful IT career in the long run. Then the Resource Person and our Respected Principal signed the MOU between PERIIT and VEI Technologies.
