MEMORANDUM OF UNDERSTANDING
BETWEEN

PERI INSTITUTE OF TECHNOLOGY, CHENNAI-48
AND

AADHITYAA INFOMEDIA TECHNOLOGIES
CHENNAI - 600 017

31st MARCH 2022

PURPOSE

The Memorandum of Understanding (MOU) establishes a cooperative relationship between PERI Institute of Technology, Chennai and Aadhityaa Infomedia Technologies to pave the way for industry integrated learning and prepare students for better practical knowledge and hands-on-experience in Programming.

ABOUT THE COLLEGE

PERI Institute of Technology (PERI IT) was established in 2010 by the PERI Educational and Charitable Trust with the objective of providing quality technical education, with NAAC B+ Accreditation. The Institute is built at Mannivakkam, Chennai in a sprawling area of 15 acres replete with A/C classrooms, well equipped labs, A/C transport, cafeteria and a vast library. PERIIT offers both B.E. and M.E. courses, which ensure quality education and engage

itself in relentless efforts to synchronize the educational and co-curricular requirements for the development of the overall personality of the students. The College offers 4Year B.Tech courses in MECHANICAL ENGINEERING, COMPUTER SCIENCE & ENGINEERING, ELECTRICAL & ELECTRONICS ENGINEERING, ELECTRONICS & COMMUNICATION ENGINEERING and CIVIL ENGINEERING and with 2 Year M.E courses in COMPUTER SCIENCE, APPLIED ELECTRONICS, COMMUNICATION ENGINEERING and POWER ELECTRONICS & DRIVES.

ABOUT AADHITYAA INFOMEDIA TECHNOLOGIES

Aadhityaa Infomedia Technologies is a professionally managed business house specialized in providing innovative business solutions by offering quality IT services with high performance and design efficiency. The mission of the company is to build up a critical mass of self-awareness, technological superiority and competent skill sets, which can rise to the occasion on contextual basis to provide an optimal solution for meeting every need thereby becoming the automatic choice for technology integration. Aadhityaa constantly strives to provide concept to complete solutions towards reducing the Time-to-Market lag and overall cost of any commercial enterprise. As a consequence of tract record of executing projects within high standards of quality in products and services.

Aadhityaa has been implemented, assessed and awarded ISO/IEC 20000-1:2005, an exclusive ISO Standards for IT services, software development and embedded solutions and are the "First" of its kind company to be certified the same.

Aadhityaa has been awarded a "Gem of India" award from the hands of his Excellency Shri. Dr. K. Rosaiah, the then Governor of Tamil Nadu, for our product innovations and excellence achieved in IT space.

Aadhityaa has also been assessed, awarded and certified ISO 9001 :2008, by four multi-faceted, multi-National Accreditation Bodies viz., AIAO-BAR, ASCB(E), JAS-ANZ and ANAB continuously and consistently for the past ten years from the year 2004 till date .

Aadhityaa offers courses students in programming papers Mobile Computing, Data Mining, Cloud Computing, Network Security, Web Service, Java and Advanced Java.

Aadhityaa also offers summer internship programmes in Big Data, Hadoop, .Net and Web for engineering students. It also offers exclusive six months of real time project experience to students with Mathematics and Computer Science background.

AREAS OF COLLABORATION

PERI Institute of Technology and Aadhityaa Infomedia Technologies have both here by agree to work together collaborate and support each other for mutual benefits and progress.

- Aadhityaa Infomedia Technologies will be providing the best and most cost effective Information technology solution to the institute.
- Aadhityaa Infomedia Technologies will arrange seminars to students based on the time and availability of experts.
- Aadhityaa Infomedia Technologies will arrange Industrial visit based on mutually convenient dates.
- Aadhityaa Infomedia Technologies will provide special institution prices for procurement of hardware to the institute and would communicate the same directly to the institute.
- Aadhityaa Infomedia Technologies will arrange interviews and place eligible students as much from the college depending on the vacancy requirement and placement criteria.
- Aadhityaa Infomedia Technologies will invite the concerned faculty, of the institution for relevant trainings and seminars conducted by RISENGG Tech from time to time.
- Aadhityaa Infomedia Technologies will organize Technology seminar on New Technologies and trends in technologies and HR on the campus.
- This MOU will be valid for 2 years from the date of signing.

Agenda and schedule for the above said activities will be discussed with the PERI Institute of Technology and communicated well in advance. It is also the responsibility of the PERIIT to ensure faculty and students participation for the above activities conducted at PERIIT, on need basis by Aadhityaa Infomedia Technologies.

Aadhityaa Infomedia Technologies and PERI Institute of Technology hereby acknowledge that this MOU is only brief statement of the intentions of the parties herein with regard to the areas in which the services are sought and the parties agree that the terms and conditions in respect of the precise scope and extent work to be carried out and manner of execution of such work under each area shall be incorporated by way of a separate correspondence to be exchanged between the parties in relation to above said matters shall

be governed by the terms and conditions embodied in the correspondence with regard to the above said areas.

This MOU shall be governed by the laws in force in the Republic of India.

This MOU supersedes all proposals or Prior representatives or communications, either oral or written.

This MOU shall be valid for a period of 24 months from the date of execution or until exchange correspondence as an aforesaid whichever earlier or later.

The above- discussed MOU is strictly confidential between Aadhityaa Infomedia Technologies and PERI Institute of Technology.

CERTIFICATE OF COMPLETION

This is Certify that Ms. JAYASAKTHI .OM (Reg. No: 411520106023),
Student of B.E Electronics & Communication Engineering (ECE), Student of PERI
INSITUTE OF TECHNOLOGY, Chennai, has Successfully Completed her Internship
Programme in our Organisation from 31st July 2022 to 09th August 2022

Training Area:

“IOT”

During this period, she had successfully completed the training and her
performance was observed to be Good.

Thanking You,

For Aadhityaa Infomedia Technologies,

PERI INSTITUTE OF TECHNOLOGY
DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
GUEST LECTURE ON “BLOCK CHAIN”

Report

A **Guest Lecture** on the topic “**BLOCK CHAIN**” was organized by the Department of Computer Science and Engineering, on 11th February 2023 by 10am. It was organized for the third year students of Computer Science and Engineering department. **Mr. V.S Rajan, BLOCK CHAIN, Aadhytaa Infomedia Technologies, Chennai** was the guest speaker of the day.

Fig.1 Speaker – Mr. V.S. Rajan

The workshop was conducted in **Conference Hall** at **PERI Institute of Technology** with the students participants were provided with the necessary technical support to take part in the workshop session.

The workshop began with a formal welcome note by Ms. Lavanya B, 3rd year CSE, presided by Mrs. Varalakshmi Krishnan HOD, CSE. The speaker, . **Mr. V.S Rajan** accepted the invite. Having years of experience in Block chain , he commenced his speech and focused towards how the students should prepare themselves for setting up a successful career. he

Dr. R. Palson Kennedy
Dr. R. PALSON KENNEDY, M.E., Ph.D.,
PRINCIPAL
PERI INSTITUTE OF TECHNOLOGY
Mannivakkam, Chennai - 600 048.

discussed with the students on effectively planning before starting the actual development. Also he explained the growing technology which enables computers to learn automatically from past data. Also he gave clear points on, how block chain used for transactions and share information securely, tamper resistant. A distributed network of computers maintains the register, and each transactions is verified by consensus among the network participants..

. **Mr. V.S Rajan** explained the need for block chain is increasing day by day. The reason behind the need for block chain is five important block chain benefits. Enhanced security, greater transparency, Instant traceability, increased efficiency and speed, and finally automated transactions. Enhanced data is sensitive and crucial, and blockchain can significantly change how your critical information is viewed. By creating a record that can't be altered and is encrypted end-to-end, blockchain helps prevent fraud and unauthorized activity. Privacy issues can also be addressed on blockchain by anonymizing personal data and using permissions to prevent access. Information is stored across a network of computers rather than a single server, making it difficult for hackers to view data.

He explained about transparency each organization has to keep a separate database. Because blockchain uses a distributed ledger, transactions and data are recorded identically in multiple locations. All network participants with permission access see the same information at the same time, providing full transparency. All transactions are immutability recorded, and are time- and date-stamped. This enables members to view the entire history of a transaction and virtually eliminates any opportunity for fraud.

He conveyed the importance of traceability Blockchain creates an audit trail that documents the provenance of an asset at every step on its journey. In industries where consumers are concerned about environmental or human rights issues surrounding a product or an industry troubled by counterfeiting and fraud — this helps provide the proof. With blockchain, it is possible to share data about provenance directly with customers. Traceability data can also expose weaknesses in any supply chain — where goods might sit on a loading dock awaiting transit. Block chain and how its applications were in the world is filled with lot more dimensions of usage like money transfer, Smart Contracts , Internet of Things healthcare, government . To set up a successful career path, today's students must also be out-of-box thinkers in various dimensions.

Dr. R. PALSON KENNEDY, M.E., Ph.D.,
