MEMORANDUM OF UNDERSTANDING (MoU)  
BETWEEN

PERI Institute of Technology, Mannivakkam, Chennai – 600 048.  
AND

Rajiv Gandhi Memorial Telecom Training Centre, BSNL, Meenambakkam, Chennai-600016

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 23<sup>rd</sup> March 2022 by and between.

PERI Institute of Technology, Mannivakkam, Chennai - 600048, the First Party represented herein by its Principal Dr. R. Palson Kennedy, Principal, PERI Institute of Technology, Chennai – 600048.

And

Rajiv Gandhi Memorial Telecom Training Centre, BSNL, Meenambakkam, Chennai-600016, (Herein after referred to as RGM TTC-BSNL) the Second party, and represented herein by its Principal Mr. V. Sakthivel, RGM TTC, Meenambakkam, Chennai-600016

WHEREAS:

A) First Party is a Higher Educational Institution named: **PERI Institute of Technology, Chennai - 600048,**

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) RGMTTC-BSNL the Second Party is engaged in providing quality training in Telecom & IT sector for its In-service staff all over the country. In addition to imparting training to its own staff, RGMTTC-BSNL disseminates knowledge to students of Engineering, Arts & Science Colleges/ Universities, officials/ officers of state/ central government establishments, PSU executives/nonexecutives etc.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

#### CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

#### CLAUSE 2 SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and assistance for placement of the students of the first party on the technology trends and in house requirements. Any trained candidate has no right to claim any form of recruitment / employment / placement with BSNL.

2.4 There is no financial commitment on the part of the **PERI Institute of Technology, Chennai - 600048,** the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

x 

2/3

**CLAUSE 3 VALIDITY**

3.1 This Agreement will be valid for a period of two years from the date of signing.

**CLAUSE 4 RELATIONSHIP BETWEEN THE PARTIES**

4.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

GUEST LECTURE ON “EXPLORATION ON INTERNET PROTOCOL V6”

## Report

A Guest Lecture on the topic “Exploration on Internet Protocol V6” was organized by the Department of Computer Science and Engineering, along with Association of Computer Science Engineers “SPINATOES” on 8<sup>th</sup> Feb 2023 by 10am. It was organized for the third year students of Computer Science and Engineering department. **Mr. A. VETRIVEL, Former Assistant General Manager, BSNL, Chennai** was the guest speaker of the day.

PRINCIPAL  
PERI INSTITUTE OF TECHNOLOGY  
Mannivakkam, Chennai - 600 048

The workshop was conducted in **Conference Hall at PERI Institute of Technology** with the students participants were provided with the necessary technical support to take part in the workshop session.

The workshop began with a formal welcome note by Ms. Megasri B, 3rd year CSE, presided by Principal Dr. Palson Kennady by felicitating the guest with momento, followed by Mrs. Varalakshmi Krishnan HOD, CSE. The speaker, Mr. A. Vetrivel accepted the invite. Having years of experience in BSNL, he commenced his speech and focused towards how the students should prepare themselves for setting up a successful career. He discussed with the students on Networks with networking process of connection establishment. He explained the the design of physical and logical component. Also Modern-day network solutions deliver more than connectivity. He elaborated the critical design for the digital transformation and success of businesses today.

Mr. A. Vetrivel discussed the types of enterprise computer networks. Creating a network from basic LAN with and without router and modem configuration has been shown in simulation tools. Underlying network capabilities have become more programmable, automated, and secure with Client-server architecture and Peer-to-peer architecture has been explained with real time configuration. He also shown the way the network configured in different ways to get different outcomes. He explained from IPv6 address types and scope and addressing in Global unicast addresses, Unique local addresses, Link-local addresses. He explained the attacks can be based on manipulating headers and how to resolve it. Also how is can minimize by using IP security or IPSec and extension headers. Nevertheless, these solutions do not always work as specific nodes like firewalls can still be overwhelmed

Dr. R. PALSON KENNEDY, M.E., Ph.D  
PRINCIPAL  
PERI INSTITUTE OF TECHNOLOGY  
Mannivakkam, Chennai - 600 048.

*Fig. 2 Dignitaries on the stage*

Mr. A. Vetrivel gave detailed real time explanation on using IPv6 addresses in uniform resource locators and IPv6 loopback. With increasing technological advancements, the number of global IPv4 addresses available is nearly depleted, and the need to migrate to IPv6 has become critical

Starting a new Network connection with a simple LAN and discussing the shortcomings of a finished Broadband connection can do wonders for future projects that have a similar scope. Then, how the product will be built should be defined. The process continues to international standard of router modems. This will be followed by deployment so the project will be useful to the users. The product is maintained for a while until they decide to terminate the connectivity.

  
Dr. R. PALSON KENNEDY, M.E., Ph.D..  
PRINCIPAL  
PERI INSTITUTE OF TECHNOLOGY  
Mannivakkam, Chennai - 600 048.

He elaborated when IPv6 can provide teams with the highest level of connection and network control. Network administrators are more efficient because they are informed and guided on what they should create and why conveyed the importance of data connection and transmission and how in the world is filled with lot more dimensions of usage. To set up a successful career path, today's students must also be out-of-box thinkers in various dimensions.

*Fig. 3 Hands on Discussion with the Guest*

The students listened to his words enthusiastically and voiced their doubts during the query session.

The lecture ended with a formal vote of thanks delivered by staff Mrs. Varalakshmi Krishnan, HOD/Assistant Professor CSE, wherein he expressed his gratitude to the guest speaker, Mr. A. Vetrivel, the management and the department for providing such a valuable session.
