PERI Students Alumni Association

PSAA Structure and Positions

Organizational Overview

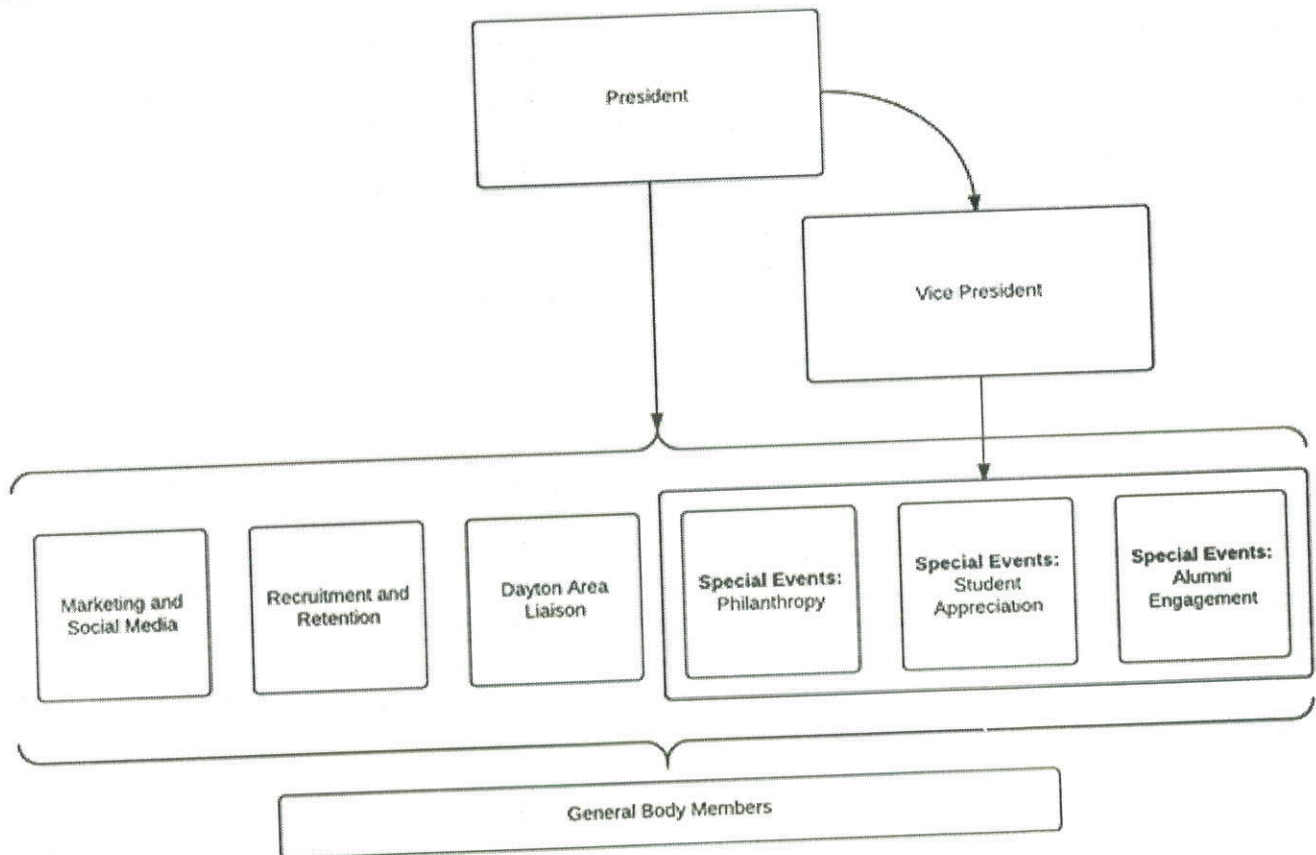

MISSION STATEMENT

Through developing positive connections with alumni and each other, the Student Alumni Association strives to inspire a lifetime of loyalty to the PERI Institute of Technology for every student.

FOCUS

PSAA is dedicated to enhancing the connection between students past, present and future. They work to create a university that fosters a sense of community and instills in its students a lifelong commitment to their alma mater. SAA helps create a culture of philanthropy on campus by encouraging students to participate in programs that inspire a positive volunteering and giving culture.

PSAA STRUCTURE

Position Responsibilities

PRESIDENT

Preside over all SAA board meetings including providing complete agenda and minutes to board. President will keep record of attendance at events and ensure organizational roster is up to date. Oversee the creation of the annual event calendar and supervise all engagement opportunities available to members. Advocate for SAA engagement within PERI events and programming. Partner with Vice President to ensure special events chairs or committees are functioning appropriately.

VICE PRESIDENT

Serve as PSAA representative for day10 Executive Committee. Oversee the Special Events Chairs and Committees. Assume the role of President if President is indisposed.

MARKETING AND SOCIAL MEDIA CHAIR

Work to increase student and alumni awareness of PSAA, foster engagement on social media, create a marketing strategy for PSAA, and promote events and programs sponsored by PSAA and the PERI Alumni Association. Expected to have an active presence on social media platforms (Face book and Twitter etc).

RECRUITMENT AND RETENTION CHAIR

Coordinate Up the Orgs planning and implementation, foster engagement of new members and work to retain current members. Responsible for all recruitment and retention efforts including coordinating annual election process. Coordinate a committee as needed to implement activities.

PERI ALUMNI COMMUNITY LIAISON

Act as student voice for the Dayton Alumni Community. Collaborate with local community leadership team to develop partnership opportunities for SAA and the local alumni population. Expected to attend PERI Community leadership team meetings half yearly.

PHILANTHROPY CHAIR

Through a minimum of two events per year for students, plan and implement philanthropically inspired programming that encourages a volunteering and giving culture. Coordinate a committee as needed to implement events. Events may include: I love PERI semester activities, service event, etc.

STUDENT APPRECIATION CHAIR

Plan and implement at least 1 events per year that provide awareness to students of what SAA and the Alumni Association are and how they can benefit from continued involvement with the Institute/University after graduation. Coordinate a committee as needed to implement events. Events may include: Freebie Fridays, Senior Picnic, city tours provided by alumni, etc.

INSTITUTE OF TECHNOLOGY

ALUMNI ENGAGEMENT CHAIR

Through partnership with Alumni Relations Staff and/or advisor, work to foster alumni engagement with students. This may include any opportunity where alumni can participate in programming on or off campus or with campus partners. Coordinate a committee as needed to implement events. Events may include: Dinner with Live Flyers, coordinating alumni partnerships on campus, Guest lectures, IV, Placements directions, networking sessions, Pizza Program, etc.

GENERAL BODY MEMBERS

All general members are required to participate in the planning and implementation of events. Other members will be added in later stages

S.No	Name	Position

Alumni Connect on “Strategies to Build a Successful Career”

An Alumni Connect programme on the topic “**Strategies to Build a Successful Career**” was organized on **20th June 2020** by the Department of Electrical and Electronics Engineering along with Alumni Association of PERI IT. It was organized for the students of **EEE** department. Alumni **Mr. Yuvaraj.A**, Associate Engineer, Field of HVAC Design and Control, Siemens Ltd, Chennai, **Mr. Surya Prakash.K**, Associate Engineer, Field of HVAC Design and Control, Siemens Ltd, Chennai and **Mr. Mohan Dass.C**, Commissioning Engineer, Field of BMS Design and Commissioning, Siemens Ltd, Gurgaon, were the resource persons of the day.

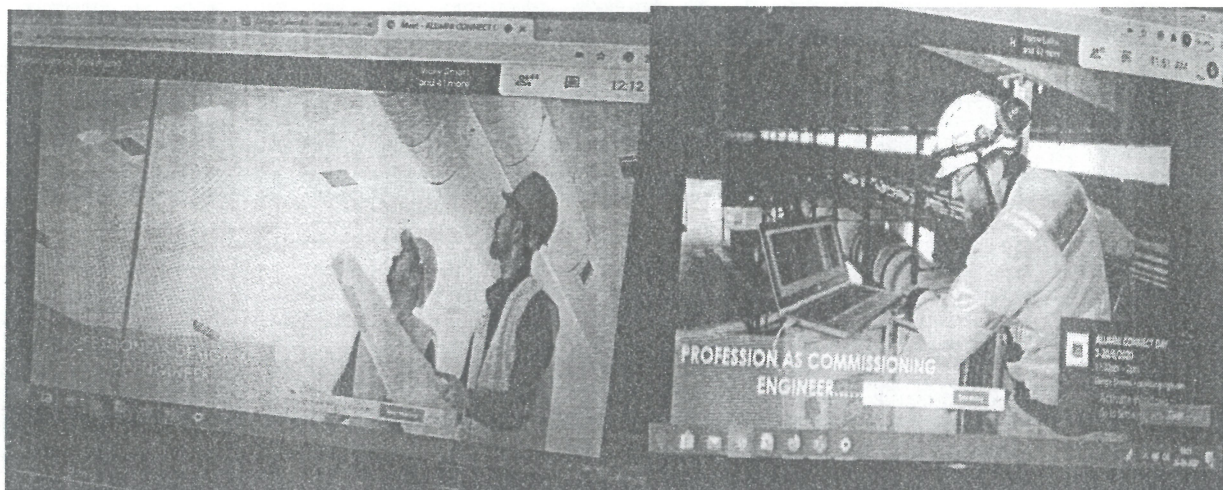

Mr. Mohan Dass on “How to Choose Career”

The session commenced with a formal welcome note for the Alumni and the participants. The session started by **Mr. Mohan Dass.C**, on “How to Choose Career”. He elaborated on how to approach the upcoming interviews. He also narrated some confident ways to get more opportunities in different jobs. The communication mediums used for the webinar were Google Meet and YouTube live streaming. More participants joined on Google Meet and the rest followed YouTube live streaming.

Successfully, the second session was started by **Mr. Surya Prakash.K**, on what exactly need to get a successful job. He explained extensively about the different soft skills with clear explanation. He also insisted the need of creative thinking and time management for a successful job. Then, he gave some tips to the students on how to handle the various tough moments in easy and elegant way.

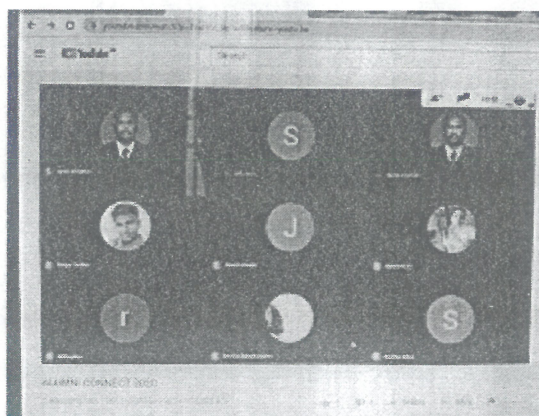

Dr. R. Palson Kennedy
