

PERI Institute of Technology
Academic Year 2018 - 2019
Feedback Remedial Report

The Feedback about curriculum and other activities is collected from all the stakeholders (Faculty, Employers, Alumni, and Professional Bodies Representatives) through Department Advisory members. Based on the recommendations of the meetings, content beyond syllabus are added to the courses to fill the gaps in the curriculum.

Further, the meeting minutes are communicated to the University and management. This feedback and action taken report are available in the respective department and Admin office of our college.

Apart from this, the institute collects feedback from the students in the following process.

- Class Committee Meeting
- Feedback About Course
- Feedback about the Facilities

Based on the feedback provided by the students during 2018 - 2019 following implementation to be processed on upcoming semester as per management and official guidelines

1. Value Added Course
2. Field Surveying (For third year students)
3. Internship (During Winter vacations)
4. In plant Training (1 per Semester)
